The Tools tab has a drop down for Account, Help and Messages pages.

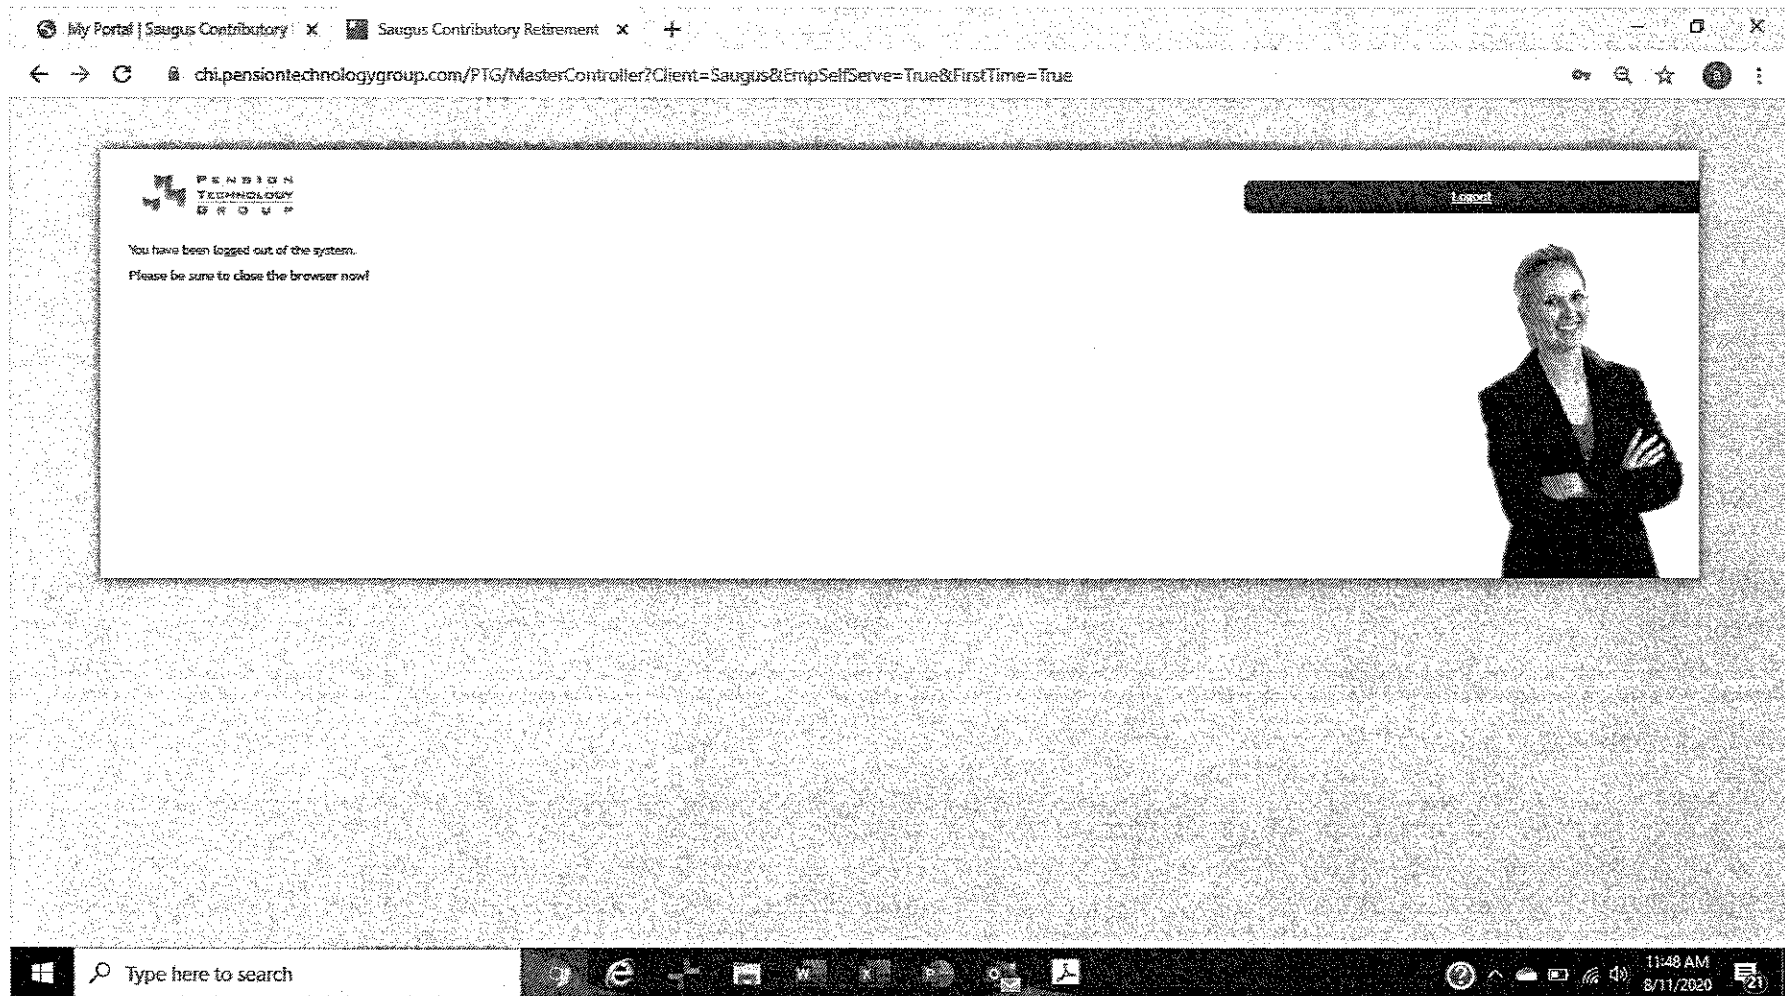

The Account section displays the information you input in order to set up your account. If you want to change a password, email address or Special Question/Answer this is where changes would be made.

The Help section provides a copy of this informational packet and Retirement and Survivor Guides based upon when you have enrolled into the Saugus Retirement System. It also gives you direct access to PERAC, Public Employee Retirement Administration Commission.

The Messages Tab displays messages sent or received from the Retirement System through the Employee Portal. You can contact the Retirement Board Office by sending a message through this tab.
